Dear Ms. Costello

Please thank all of your Alumnae for their grateful support of the Foundation to Save the Jersey Shore, Inc.

Your donation of \$5,000 will be earmarked toward the children's park which is being dedicated this weekend in Sea Bright NJ. Your assistance allows the foundation to be involved in rebuilding the Jersey shore and renewing the lives of those affected by Hurricane Sandy.

We are especially honored that you chose us and will work hard to ensure that we continue to brighten the lives of others.

Sincerely,

Kevin J. Leahy
